Declaration of Absence of Radionucleides

Dear Customer,

Hereby, Hirschmann Automation and Control GmbH declare that, on the basis of the information obtained from our suppliers, products above referenced respect the French public health code (L. 1333-1 à 20 et R. 1333-75 à 93) and the law 2006-686 of June 13th 2006 relative to the transparency and to the safety in nuclear activities.

Incorporate no contaminant source in any form whatsoever (device, radioactive substance or installation which can emit ionizing radiations or radioactive substances, etc.), according to the European directive 96/29/EURATOM of Mai 13th 1996 relative to the sanitary protection of the population and the workers against the dangers resulting from ionizing radiations.

Best regards
