Phillips-Combi-Schlitz  
Kreuzschlitz H2  
Phillips-combi-slot  
size H2

The information/details in this datasheet merely contain general descriptions or performance factors which, when applied in an actual situation, do not always correspond with the described form, and may be amended by way of the further development of products. The desired performance factors shall only be binding if these are expressly agreed on conclusion of the contract.

**Product description**

|             |               |
|-------------|---------------|
| Description | central screw |
| Type        | GDM 3011-6    |
| Order No    | 732-383-...   |

**Materials**

|          |                                      |
|----------|--------------------------------------|
| Material | 4.8                                  |
| Surface  | Fe/Zn B, A2F acc. to DIN EN ISO 4042 |

**Environmental conditions**

|                   |                                  |
|-------------------|----------------------------------|
| Temperature range | -55°C to +125°C, notice Derating |
|-------------------|----------------------------------|

**Accessories**

|            |  |
|------------|--|
| Fitting to | Cable sockets of series GDM..., GM... and GMN... |
|------------|--|

**Additional technical data**

|                  |                  |
|------------------|------------------|
| Fastening torque | M 3: (50-60) Ncm |
|------------------|------------------|

## Standard products

| Artikel-No. | Type       | Packaging unit |
|-------------|------------|----------------|
| 732-383-003 | GDM 3011-6 | 50             |
| 732-383-004 | GDM 3011-6 | 5000           |
